“A Better Model for Managing Chiropractic Care”

CHANGES IN THE MANAGED CARE INDUSTRY MAY CREATE OPPORTUNITIES

FOR CAMN: With the changes currently taking place in the managed care industry in Minnesota, the Board of Directors of CAMN believes that now is the perfect time to be expanding the provider network for CAMN. We already have two contracts in place and we have had discussions with a number of other payers who have indicated an interest in working with us once we have enough doctors in the network to cover their service area. Therefore, if you know of colleagues that would be good additions to the CAMN network please contact them and direct them to our website at www.camn.us so they can learn more about CAMN and to complete the credentialing application. You can also have them call the CAMN office at 1-800-658-2214.

INFORMATIONAL MEETINGS: CAMN is currently organizing informational meetings throughout Minnesota. These meetings are designed to educate doctors in Minnesota about CAMN and to answer any questions they may have. If you would like to help set up a meeting in your area please contact Jeff Smith, Executive Director, at (605) 254-5832 or via e-mail at jsmith@casd.us.

OWNERSHIP OPPORTUNITIES: CAMN was organized as a limited liability company which allows member doctors to become owners. At this time we have sold approximately 15% of the membership units available. If you are interested in becoming an owner please contact the CAMN office at 1-800-658-2214.
