## *“Building Change in Minnesota”*

**NETWORK GROWTH:** In February we announced that CAMN had passed the 100 member mark. Since then we have been receiving credentialing applications almost daily and we have talked to many doctors who have told us they are going to join the network. Our goal is to add 30 doctors a month to the network.

If you have associate doctors in your office or colleagues in Minnesota that you feel would be good additions to our network please direct them to our website at [www.camn.us](http://www.camn.us) for the credentialing application or have them contact the CAMN office at 1-800-658-2214. **Remind them the doctors in SD made a decision. They decided the current state of affairs was not good and wasn't going to change unless they changed the way they thought about the situation they were in.** THE SOONER WE ESTABLISH AN ADEQUATE NETWORK THE SOONER WE CAN START “BUILDING CHANGE!”

**INFORMATIONAL MEETINGS:** As part of our Strategic Plan for Network Development in 2008 we are planning to hold informational meetings throughout Minnesota. These meetings are for CAMN members, as well as for doctors that may be interested in joining CAMN. So far this year we have held meetings in Willmar and St. Cloud. In March we also gave a presentation at the MCA MetroEast meeting and spoke to the T-10 class at NWHSU. If you would be interested in helping to arrange a meeting in your area or to send information about CAMN to the doctors in your area please contact Jeff Smith, Executive Director at 1-800-658-2214 or via e-mail at [jsmith@casd.us](mailto:jsmith@casd.us). We will be announcing the dates and locations of additional meetings once they are scheduled.

**OWNERSHIP OPPORTUNITIES:** CAMN is organized as a limited liability company which allows member doctors to become owners. At this time we have sold approximately 15% of the membership units available. Once all the membership units are purchased there won't be any more available. If you are interested in becoming an owner and decision maker please contact Jeff Smith – Executive Director at 1-800-658-2214 or via e-mail at [jsmith@casd.us](mailto:jsmith@casd.us).
